Dear Club,

I wonder if any of your readers know the answer to this question? Why do men want you to behave like a dirty slut, and when you actually do, they act surprised? I'm asking because this has happened to me a few times, most recently last Sunday night.

I was out in my local with my friend Grace who, like me, is always on the look out for some sexual excitement. With us both being currently single, we feel if we don't experiment now, then it will only be a lot more difficult later! So arriving back at Grace's with two guys from the pub seemed like the perfect opportunity.

We knew Carl and Phil from going to the pub regularly, and at one time or another I think Grace had snogged them both. However, as the chatting subsided, Grace began getting off with Phil, and Carl took it as his cue to make his move. As he kissed at my ear, telling me how fit I looked tonight, I felt like I'd been in this situation too many times before and was suddenly inspired to say, "Are you going to keep Phil all to yourself tonight?" Grace just giggled, whilst Phil grinned at Carl, who was looking a little hurt. I continued, "Oh come on Carl, surely you'd rather fuck Grace as well – I mean look at her nice round tits, I

wouldn't mind sucking them myself."

The look on his face was one of pure astonishment, and a little fear! Phil, too, looked sheepishly in Grace's direction, who had instinctively started undoing his trousers. As I did the same to Carl, he managed to blurt out, "Is... er, is this a wind up or what?" Freeing his cock through the front of his boxers, I replied, "What do you think?"

Before he could even begin to answer, I clamped my lips around his bell-end, and inside my mouth began licking the tip of his cock with my tongue. Grace had a handful of prick also by now, and was wanking it slowly, whilst staring at Phil and circling her finger over her dark nipples. I could sense the guys

looking at each other in disbelief as we went to work on their dicks, sucking on their balls almost simultaneously! Relaxing, Carl said, "Deep throat me!" to which I duly obliged. He then said, "I want two tongues!" Grace needed no second invitation and was next to me in a flash, feeding Carl's meat into my mouth, before pulling it into hers.

Pulling his trousers off and raising his knees meant that I could tongue beneath his balls at his arsehole whilst Grace gave him the most expert blowjob I have ever seen. I'm sure she was helped by the fact that, whilst she was leaning over his chest to get at his length, she now had Phil's cock deep in her pussy from behind.

GRAHAM'S CRACKERS!

Dear Club,

Loved your Globe Theatre recap of Heather Graham's finest moments on screen (*Club* 41/11). Is it me or does she simply not age? Also, is it me, or do those boobs look as good as they ever did? I won't pretend she makes good films – the only think I liked her in was *Boogie Nights* – but I rented that *Boogie Woogie* after you printed the pictures from it and wanked myself mental. She was the best thing in it, but the glimpse of Gemma Atkinson's tits were worth it as well. Any chance of more of her in *Club*?

Andrew, Barnes

Yep, Heather is timelessly horny and, as you rightly say, her rudest bits are usually in dreadful films. *Boogie Woogie* was a right load of tripe, but it's worth a rent like that film the *All Saints* were in, just for the reacharound potential. As for Gemma – if only. She seems to have gone quiet these days, but the second she airs those boobs again, we'll be there.

GRACY OF GOD!

Dear Club,
Blimey, where did Gracy come from? I buy a load of your mags, and I'm always on the internet, but I've not seen her before. She's the kind of girl you see at the other side of a cocktail bar and you know you've got no chance – she's got a bit of class about her, it has to be said. Get her back in Club ASAP.

Chris, Plymouth

Get Gracy back in Club? Will do. She was new on us too, and we loved the moody, sultry shots we got of her. She mentioned she was interested in some lesbian stuff as well, so let's see if we can make that happen...

Leaving Grace to finish him off, I clambered around to sit on Carl's face, all the time begging him to, "Suck at my pussy, now!" I then crouched, reversing my position, so I could feel his tongue and lips all over my pussy and bumhole. I was just in time to see him spray his wad straight into Grace's face, who was coming from the constant thrusts of Phil's cock and the good spanking he was giving her. Carl clamped his mouth over my pussy as he came wildly. I managed to get some spunk too, by leaning forward and tonguing some from his slick shaft and taking the final spurt over my cheek. Meanwhile, Phil was about to explode and took himself from inside Grace, allowing me to take him in my mouth, and his cream down my throat.

With my face covered in jizz, I then really shocked them by saying, "Now it's my turn to cum – and I'll need all of you to do it." And they thought all their fantasies had already come true!

TESSA ♣

We'd like Tess' daily...

Despite the fact that Tessa Taylor here is showing us her bits, we thought she looked the sweet and innocent type. And then she told us to check out some of the films she's in, and our jaws dropped (as did our jeans, in due course). Yup, Tessa does naughty things in films – in one clip we saw her employing dildoes that were about as long as Peter Crouch's legs. We don't know where she hides them – we only know that we really, really like watching her do it... ♠

She's Hobbit forming...

Bree, we can't believe your parents named you after a cheese. Shocking.

"Can't you guys spell? That's B-R-I-E! Not that that lets my parents off the hook," giggles the 22-year-old American. "No, they were big *The Hobbit* and *Lord of the Rings* fans, so that's where it's from. I'm just glad they didn't call me Galadriel or Saruman.

Seen the new film?

"You bet. Saw it in 3D and loved it. Although I did have naughty dreams that night about me and a dozen horny dwarves. And they found my ring!" ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PETER PIPES HER!

Like a lot of *Peaches* stories, mine starts with a night out with the girls. It was my sister, Sarah's, birthday and six of us had gone out as a group to get drunk and pull the fellas. Not me though, I'd never really had much luck in that department. I don't know why, I guess I've never had much confidence in myself. My sister's gorgeous and really outgoing, whereas I'm quite plain. I'd never really seen the importance of flashy clothes or expensive hairstyles before, but by the time I was 24 I'd only ever slept with two guys, neither of whom I ever saw again. My sister, on the other hand, had fellas eating out of her hand all night and her friends looked like models next to me.

After several drinks, one of the girls kept interrogating me as to why I couldn't get a bloke. It was just drunken teasing but I got upset and decided to leave, despite my sister's objections. I wandered outside feeling pretty low and got into a cab. I recognised the driver as someone who'd gone to my school. Peter had been a couple of years above me and popular with the girls. "Don't I know you?" he said, to which I replied that I doubted it. Peter looked in the rear view mirror and said, "It's Sarah's sister isn't it. Oh, what's your name?" Then, to my surprise, he got it. "Abigail. Going home early?" he asked. I lied to him that I hadn't been feeling well but Peter didn't buy it. "You look upset. What's the matter?"

I tried to pass it off as nothing but in the end I told him. I thought he'd laugh just like all the others had but Peter told me to stop being so silly. "Getting a bloke is easy," he told me. "All you've got to do is ask them if you can suck their cock and nearly every bloke in the world would say yes."

As I heard him say these things, I couldn't help but get turned on. It had been so long since I'd had a man that my desperation ended up getting the better of me, so I turned

to him, heart in my throat and asked him: "Can I suck your cock then, Peter?" Peter laughed, but I told him I was serious and reached over and gently stroked his crotch through his jeans. Peter's grin faded and he stuttered.

"That wasn't what I was getting at," he told me. "I meant... you know... your average bloke in the pub." I wasn't about to leave it there though so I told him I'd do anything he wanted - anything! "Look," he said, "this isn't a fob off or anything, it's just I have a girlfriend," he shrugged. "I'll even take it up the bum," I told him, my voice quaking. This was my last throw of the dice. Even though I'd never done it before, I knew some guys were really into anal and loved girls who were too, so I thought I'd blag Peter this way. I mean, how different to normal sex could it be?

We arrived back at my place and I told him again. "Anything you want." Peter unbuckled his seat belt and followed me in. Once we were inside I went to kiss him but Peter told me he was in a hurry and simply undid his trousers to expose a monster erection. "Suck my cock then," he ordered me and I dropped to my knees. As I took it in my hands I found

“I’d promised Peter he could fuck me up the arse, even though I was an anal virgin”

that it was so big my fingers didn’t even reach all the way around. I dipped my head toward his enormous pole and took his hot, pink bell-end into my mouth.

It had been so long since I’d had a cock in my mouth that the experience was almost overwhelming. I hungrily slobbered over his cock like a woman completely possessed until my pussy was dripping with lust. I stroked and kneaded Peter’s balls as I milked his cock into my mouth and all too soon I felt his cock start to quiver and jerk. I readied myself to take his full load in my mouth and promised myself that I’d swallow everything, no matter how much he came, as that was something I’d never done before either.

Just as I started to taste his salty pre-cum leaking out onto my tongue though, Peter pulled out and told me to bend over. “You said you’d take it up the arse and that’s exactly what you’re going to do,” he told me. He was so authoritarian in his manner that I couldn’t help but do exactly as he said. I turned around and leaned over the sofa and jumped slightly as I felt his strong hands lift my skirt and pull down my knickers. Peter rubbed his hot cock in-between my lily-white

buttocks a couple of times and I suddenly realised how enormous it was.

“Slip it into my pussy,” I tried to say but Peter was adamant, there was only one way he was going to fuck me. I heard him spit and felt it land in my ringpiece. I wracked my brains in an effort to come up with some way out of it but I couldn’t. I’d promised Peter he could fuck me up the arse, even though I was an anal virgin. I had to go through with it.

Peter pushed a finger deep inside my arsehole causing me to yelp with surprise. Before I had a chance to get used to the feel he’d inserted another and was working my sphincter, stretching me gradually wider and wider in preparation for his thick, meaty cock. Peter gripped my buttocks and edged his fat cockhead towards my tight bumhole. His helmet felt colossal against my tiny entrance and when he started jabbing sharply against my sphincter I couldn’t see how it would ever fit inside. Peter applied a little more pressure and suddenly my anus gave way and a relentless surge of meat filled my tiny cavity.

“Ohhh! Oh! Oh!” I yelled, my knees almost buckling beneath me. “Oh Jesus.” Peter continued on forward until his whole, enormous cock was somehow buried up

inside my virgin-tight arse. “Never taken it before have you?” he whispered in my ear and I shook my head. “Well, you’d better ready yourself because you’re taking it now.”

Peter drew back, his thick, veiny shaft rasping against my taut sphincter, then he plunged back down deep, taking my breath away with the incredible sensation. Peter repeated this several times, slamming my bum again and again until my muscles were totally relaxed and I could do nothing but take it, then he started fucking me hard. Peter’s rhythm quickly built up into a relentless assault. I was totally at his mercy yet, and this was the really weird thing, I was loving every disgusting minute of it. I’d never known a pleasure so intense. It was like pain but a totally satisfying sort of pain. I reached down to my pussy and began to frig myself off knowing that it would be only a matter of seconds before I came all over my hand.

Peter’s thrusts were becoming shorter and shorter and I suddenly realised he was about to cum in my arse. It was a deliciously dirty minute knowing that I had brought off this handsome young stud in my back passage and when I felt his thick, hot fat squirt deep into my colon I couldn’t stop myself from mouthing “Yes! Yes! Yes!” over and over again.

Peter left pretty quickly after that but I didn’t mind as I was all a tingle and spent the rest of the evening masturbating to several orgasms. I’ve since pulled a fair few blokes on subsequent girlie nights out with my new found confidence. All the other girls can’t see how I’m doing it but I’ve discovered the way to a man’s heart... it’s through my arse. *Abigail, Nottingham*

ANAL INTERCEPTION

I’ve always had a strong sex drive but since I broke-up with my boyfriend, I have to admit that I’ve enjoyed behaving like a slut. I like that I can just go up to any guy that I fancy and try it on with him. And when I try it on, I usually pull. You see, there is one thing that sets me apart from most other girls – I’ve found that I really like to take cock up my bum... and I don’t mind telling guys in advance. Just the thought of taking a nice big cock up my arse is electrifying. It’s like the best sex I’ve ever had but with every single element amplified. I love it!

Last Saturday night was typical. I dressed

“I gasped as the entire length of Neil’s impressive cock surged into my arse”

in my best pulling outfit – a little white vest-top and tight-fitting shorts with no underwear. The cotton of the top stretched across the proud thrust of my perky tits and did more to reveal, rather than conceal the soft flesh within. I pulled before I even got into the club. As I got out of the taxi, the chill night air made my nipples stiffen. But I didn’t have time to get cold. A guy that I recognised from the previous week broke away from his friends and slipped his jacket around my shoulders. He’d definitely been interested but I’d gone home with someone else.

“Hello, again,” he said with a really nice smile.

“This is a coincidence,” I said, noticing that he was keeping himself between me and the doorway, trying to keep the competition away.

“Not really – I’ve been waiting for you. I missed-out last week. I was hoping that you might give me a second chance.” He’d earned a chance by being a gentleman and then by being honest.

“OK. I’ll give you a chance but I’ll need to see your equipment,” I said looking down. I wasn’t really expecting him to do it there

and then in the street but his hands moved straight to his fly and started unzipping. It was one of the sexiest moments of my life as I stood shivering, waiting to be shown his cock. He withdrew it and it was already semi-erect.

“Balls too,” I demanded confidently and I watched as he eased his sac out of his boxers. It all looked in pretty good order to me. I liked that it was all neatly trimmed. Stepping in, he didn’t resist as I wrapped my hand around his cock and started wanking it. “So, what’s your name?”

“Neil.”

“Well, I’m Grace. I’d shake your hand but I don’t really want to let go of this...” Neil’s equipment had passed my inspection. His cock was now hot and hard, having swollen impressively. I particularly liked its girth.

“So, did I pass?” Neil asked.

“Yes... but there’s a condition – I want it up my bum.” I saw the way he re-assessed me, following my dirty demand. I was amazed at myself; the shameless way I could just ask a man to perform the most perverted sex acts on me. But I’d had a guy spoil my fun by refusing to stick his cock in my

arse and wanted to avoid any potential disappointments later. After a short taxi ride, I was back in my bedroom with my anal associate in tow. Neil tugged down my shorts and was immediately presented with my bare bum. I didn’t even have time to take off my shoes as he pushed me forward and spread my cheeks.

“You’ve got a beautiful bottom.” I thought he was just doing it to inspect my bumhole but a moment later I felt his hot breath and then his tongue right on my anus. As Neil’s tongue worked my arse crack, I fought to unclench. I hadn’t expected him to be so direct. A bit of foreplay would have been nice but I’d asked him to fuck my bum... and it looked like he was getting straight down to business. “Have you got some lube?” I reached under my pillow and pushed it back between my legs.

His ‘preparation’ consisted of squirting a bit of lube on my anus and spreading it around with his fingertips. I knew then that he’d never done this before and that gave me an added thrill. This was going to be a memorable moment for him. Whilst he was removing his clothes and getting his cock out, I took more lube and pressed two fingers into my back passage. I enjoyed the familiar feeling of my fingers inside my bum but couldn’t wait to feel that nice big cock squeezing in.

Neil moved into position, unaware of my further groundwork. The tip of his greasy cock accurately speared into the cleft of my bottom. I hardly dared to breathe as I felt my bum responding to the slippery pressure being applied. My muscles resisted but ultimately lost their fight to keep the penile intruder at bay – as I knew they would. I gasped as the entire length of Neil's impressive cock surged into my arse. The feeling was intense and I started playing with my empty pussy. That is my favourite thing about anal sex – I love being able to masturbate whilst getting fucked at the same time. As Neil shunted his cock back and forth in my arse, my fingers flew over my clitoris. I was hyper-horny and eager to climax, having made this hunky guy expose himself, before publicly masturbating his cock... and then demanding that he fuck my arse.

My fingers brought a frenzied kind of

pleasure – powerful and animalistic, barely controlled. I brought myself to orgasm and was rewarded with a moment of sheer delight... but it was like the eerie silence after you've just seen a large explosion in the distance. The massive spasms ripped through me in waves – a fierce onslaught after three blissful seconds of ecstasy. Neil slipped or pulled out and he sprayed his cum all over my bum, pussy and fingers. That just added to the cocktail of sensations; I could feel my arse pulsing in unison with my pussy, opening and closing with each muscle spasm, doubling my pleasure. I sagged forward, utterly satisfied – that precious feeling the reason why I love anal sex so much.

Neil was getting ready for me to kick him out, but instead I chucked the TV remote in his direction and went and got a bottle of wine and a couple of glasses. "You're

not going anywhere, sunshine. That was a good starter but I'll be good to go again in an hour or so. You just concentrate on getting yourself rested – you've got a long night ahead of you!" Neil didn't say anything but he didn't need to as he was wearing the most enormous smile. It's not the first time I've made a man smile like that... and it won't be the last.

MALENA 

Little crack dress...

The girls in our office reckon no woman should be without a killer black dress in the wardrobe. They're 'versatile' apparently, and will do for a works party, club or even somewhere a little glamorous. Well, we're not complaining if they're all as short as Malena's.

"It's a trifle short," she confesses, "especially as I don't wear panties very often. Actually, I never wear them to a club or party. Basically, if I bend over or sit down, you're going to see something."

And is that intended?

"What do you think? All I'm saying is, when I go out with this dress on, I don't have to pay for many drinks, and I never, ever go home alone!" ♣

MALENA ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

MY-PLAYER!

In these days of Sky Plus, Tivo, iPlayer and such, there really is no need to argue over the telly. If you can't watch it now, you can watch it later. Clearly 25-year-old Clarence Newcomb of Kings Park, Long Island, doesn't have Tivo. He was arrested at the house he lived in with his grandmother (he's obvs a real go-getter) after she died following an argument over what TV show they were going to watch. He called the police himself at 4.35am to report that she was lying on the floor. Lt. Jack Fitzpatrick commented that he didn't know what shows were involved. Which means that was a question someone asked him. Seriously. (Okay, we reckon the argument was over *Countryfile*.)

WANK ROBBER!

A dumb criminal – too thick to be named at this time, sadly – thought he'd got away after going into a bank on New Year's Eve, handing the 'teller' a note stating he had a bomb and asking for money. He got what he wanted. If only he'd left it at that. Instead, on New Year's Day, police received a

report about a man lying on the ground near a car dealership, publicly masturbating. Officers arriving on the scene noted he matched the description of the suspect in the bank robbery and arrested him. He claimed he hadn't been wanking, but was hiding money in his pockets and shoes. Ah, the old 'pockets and shoes' wank. We know that one very well.

DOG EATS HOMEWORK UPDATED!

When 40-year-old Debbie Michelle Zamacona of Winder, Georgia, the USA (where else?) called the police to report a theft, she seemed more bothered about the disappearance of her Curriculum Vitae than about the blouse that had also gone missing. Responding officers were more surprised when Zamacona fingered the possible culprit – one of two ghosts that haunt her. She said she didn't think it was the ghost of her mum, but a 'black spirit' that also visited. When asked to value the CV, she gave a value of \$5000. Man, that must have been some nice stationery. In a nice postscript, Zamacona's poor husband later announced that he'd found a copy of her CV on her computer. IT Joke Alert: Did he ghost her drive? Lolz.

DONKEY RIDE!

Most blokes, when caught fucking an animal, would shamefacedly accept their slap on the wrists and shuffle off to their sheds. Not Carlos Romero. He was arrested in Ocala, Florida recently, hanging out the back of a donkey. When questioned, he didn't flinch, saying that when the donkey is in heat he'll often masturbate behind it, as he, "likes the way her fur feels". He also admitted to doing it several more times and ranted, "Florida is a backwards state and people frown on zoophilia here." He then went on to say humans are dishonest, but animals "are usually there for you" and "do not seek other pleasures". The 21-month-old miniature donkey, Doodle, was not available for comment. ♣

FAVE SEX: Getting head.

WHAT'S SHE LIKE? A dirty down under dame with a bright future.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

The mags in Australia are quite tacky compared to *Club*, and I wanted to be in something with a bit of class.

YOU CAME TO THE RIGHT PLACE. NOW, TELL US YOU'RE CONSIDERING A CAREER IN MODELLING.

If this shoot goes over well, I definitely will. It was a real thrill stripping off for the camera. I got a bit wet, as you can tell.

YEP, WE NOTICED THAT. WE GOT A BIT WET TOO.

Ha ha! Seriously though, I hope the *Club* readers have a big wank over my pictures. The thought of that is a huge turn-on.

WE'RE SURE THAT THEY DON'T NEED TELLING.

Nope, but just in case: Wank over my pictures you pommy bastards! ♣

NINA ♣

Lingerie lovin'...

Eagle-eyed readers may already have noticed – especially those who’ve skipped ahead a few pages – that Nina never gets entirely nude in this photoset. And it’s not like we didn’t try.

“I just think it’s sexier to have an element of tease, an element of suggestion,” Nina says, clearly not realising who calls the shots around here. “Some lingerie, a pair of panties pulled to one side, some knee-high boots – they’re erotic. You’re always wanting to see them taken off.”

You’ve clearly thought about this a lot.

“I used to be a set stylist for photographers and they were always rushing to get the girl totally nude. I told them to slow down. Sex is all in the anticipation. So, I might not take all my clothes off, but we can still have a whole lot of fun.”

You’ve almost convinced us... ♣

BURLESQUE-HORNY!

My New Year's resolution this year was to get fit, but I couldn't stand the thought of a gym or, even worse, jogging. My husband told me that I could just wank myself fitter – he'd read something in a magazine that said that a woman burns off about 250 calories when she orgasms, so his suggestion was that if I had a quick one every night (with him watching, of course – he loves to watch me wank) then I'd soon be fit-as-a-fiddle. He even bought me one of those plug-in magic wand vibrators, to save on the cost of batteries, plus some 'porn for girls' DVD's to get me in the mood. But though I've been happy to oblige many nights (and boy do those magic wands pack a punch, although the girly-porn is a bit arty for my tastes – I prefer his proper stuff!) I'm not absolutely convinced about it as a sole means to keep fit. So after a quick bit of internet research, I signed myself up for some one-on-one Burlesque dancing tuition with a local teacher, whose advert promised a fun and sexy way to get in shape.

I spoke with her on the phone before my first scheduled lesson, and she told me to wear clothes that I could easily take off, and not to worry about getting cold, as she gave the lessons in a room at her home that she had converted in to a little dance studio and kept nice and warm. She sounded very friendly on the phone, so whilst I was a touch nervous about the 'clothes that I could easily take off' bit, I was still rather looking forward to it as I rang her doorbell on the evening of my first lesson.

The girl who opened the door smiled broadly when she saw me and introduced herself as my teacher, Anna. She was about my age, with an attractive face, which – whilst not classically beautiful – was certainly rather pretty to look at. She was wearing tight dance-leggings and – it's a terrible thing to say – I couldn't help noticing almost immediately that she was displaying a rather fine camel-toe between her legs. I know that camel-toes are meant to be nasty, but I have to say that I've always found them kind of sexy – the sight of a pussy outlined like that, plus the thought of how it feels to have

material clinging so tightly and even riding up a bit between the lips, always gets me a little turned-on. As she turned to lead me inside I could see that she was on the curvy-side, with a well-rounded bum shown off nicely in those tight leggings. Once we were inside she closed the door then, somewhat to my surprise, immediately gave me a big hug, squishing her impressive boobs into mine as she did so. As she let me go she took both my hands in hers and said, "Hope that's OK – I like to get my lessons off to the right start. There can't be any inhibitions between us if we're going to Burlesque together!"

I told her that it was fine with me, and keeping hold of one of my hands she led me through into her 'studio'. It looked like it had probably once been a living room and dining room that had been put together and then converted. Half the room had parquet-flooring and was clear of any furniture, with full-length mirrors all along one wall – clearly this was where the dancing was done, facing the mirrors. The other half of the room was carpeted, with a sofa in one corner and armchair in the other, plus a couple of wooden dining chairs. There were various props on or around the furniture – I could see some feather-boas, long gloves, and even what looked like some rather racy lingerie draped over the armchair.

Still holding my hand, she led me over to the armchair and said, "Right, first thing is to get ourselves kitted-out. I think that you should wear these, and I'll wear this." As she said this she had let go of my hand and given me one of the sets of lingerie from the armchair, taking a second set for herself. Before I could ask where I should go to get changed, Anna had pulled off the T-shirt that she had been wearing and was in the process of stepping out of her leggings and panties right in front of me, without even bothering to turn her back. I was so surprised that I just stood stock still and stared, until she looked up at me as she stepped out of

her panties and laughed, "Come on. Remember I said no inhibitions here!"

I hardly had much choice, so somewhat shyly I pulled off my top and undid my bra, then removed my own skirt and – blushing furiously as I did so – finally pushed my knickers down to my ankles and kicked them off, glad that I'd thought to put on a matching bra and panties set. I looked at the lingerie that Anna had given me, and saw that there was a pair of black stockings with a deep lacy top, plus a suspender belt. So I quickly pulled the stockings on and fastened the belt around my waist. I started to fasten the suspenders to the stockings, but because I was both nervous and – I have to admit it – also starting to feel a little horny to be stood naked with another girl, I couldn't do it. "Let me help you," Anna smiled at me, and promptly knelt in front of me to connect my stockings and suspenders at the

“ I could see that she had her pussy waxed completely smooth and bare, just like mine. ”

front. This meant that her face was about six inches away from my exposed pussy, and I felt a sudden urge to press myself against her.

But I resisted, and Anna fastened me at the front, and then held my hips to swivel me round the other way so that she could fasten me at the back. She did so, then got up from her knees and gave me a little pat on my bare bum, holding her palm against my butt cheek for just a second or two longer than necessary, saying, “All done. Now get these on,” as she handed me a pair of frilly black panties, French-maid style with big ruffles at the back. I pulled them on, partly glad to be covering my pussy, which I feared would be starting to show some rather obvious signs of arousal, but also a little sorry to be covering up just at this point (and also worried that my rather obvious arousal might be about to produce a rather obvious wet patch on a pair of fancy knickers that were not my own!)

Anna was by now also in stockings and suspenders similar to the ones that I was wearing, although she’d not yet got the panties on, and I could see that she had her pussy waxed completely smooth, just like mine. This wasn’t helping my concern about creating a damp patch on my

borrowed knickers, so to distract myself I looked round on the armchair for the bra to complete my outfit. I couldn’t find it, so I turned round to ask Anna where it was, only to find her with her back to me, bent over to fasten her front suspender. This afforded me the most wonderful view of her plump pussy and arse from behind, which I think is always a sexy sight on any girl. I can understand why you guys like that pose so much – I was sorely tempted to walk over to her and cup my hand between her legs from behind, to feel the warmth and moistness of that pussy on my palm, and perhaps let my thumb gently trace a pattern around her sweet little button of an anus, and even press in to her darkness a little.

Unfortunately this was exactly what I was thinking as Anna turned round and caught me looking at her arse. I blushed again, but she just smiled sweetly at me. “I can’t find the bra,” I said. “Ah,” she said, “Bra in a moment, but first let me introduce you to your pasties.” Picking something up from the chair, she came over to me, and taking a firm yet gentle hold of my right boob with one hand, she placed a little tasselled cup over my nipple with her free hand and pressed it in to place. She then repeated the process with my left boob, stood back and said, “Perfect. Give me a twirl.” Even I knew that she didn’t

mean for me to turn around for her, so I did my best to sway my upper body and get my tits moving, and much to my delight (and surprise) they sort of obliged, and the tassels at my nipples started to whizz round in little circles. Anna laughed and clapped her hands together. "Very good," she said, "You're a natural. Come on then, let's get started."

I put on the bra that Anna handed me, then the shoes that she had told me to bring – black patent leather with a mid-heel. Glancing over I could see that Anna had pulled on a pair of ruffled panties that matched mine, and also pasties of her own over each nipple under her bra. Her shoes were also black leather, but hers had a high heel of about four inches I'd say – there was no way that I could have danced in them! She stepped forward, took my hand, and led me to the area of parquet flooring in front of the mirrors. She then moved to the side of me, so that we were facing our reflections, keeping hold of my hand as she did so. I almost gasped at the sight – I have to say that I thought that I looked sexy-as-hell myself in this outfit.

I think that she must have caught me staring, because she said, "We look sexy together, don't we? Right, music!" She stepped over to the wall and pressed a switch, and the room filled with the sound of an exotic, and somehow also rather erotic, beat. For the next 45 minutes Anna worked me hard. She had me take my stockings off – very slowly – then pull them back on again for another go. We did more twirling of the nipple-tassels, which she again said that I was especially good at. The dancing was quite energetic, and I could feel myself glowing with warmth, which I think Anna could see because she said, "Let's slow it down a bit now. Time for some partner-work."

She turned back to the area where we had dressed, and returned with a long feather-boa around her neck. She adjusted the switches on the wall, and the dance beat that we had been working to was replaced with a much slower, more sensual tune. Anna started to move in time with this music, holding the ends of the feather boa in her hands, and swaying her hips and tummy. It looked very sexy, and I just stood and enjoyed the sight of this horny girl in her stockings and suspenders moving in such an erotic way. "Come on," she said, "Join in." With this she un-looped the boa from around her neck and in the same movement looped it over mine, like she was lassoing me. Still holding the ends of the boa in her hands, she used it to lead me into her dance, and I found myself

“ I let my hand slip between my butt cheeks and rub some of the oil in there. “Now slip a finger in,” Anna instructed”

matching her hip and tummy sways with my own. "That's it," she said, "Very good. Now let's give the audience a treat." She pulled on the ends of the boa, drawing me to her.

As soon as I was close enough she let go of the boa, and put her hands on my waist to pull me right to her. Before I knew what was happening, her lips were on mine and we were locked in a passionate kiss. Anna didn't hold back – she kissed me long and deep, with real desire, her mouth open and her tongue snaking in to mine. Her hands moved to my bum cheeks and firmly pulled my crotch in to hers, then started to massage my bum through the ruffled back of my fancy panties. After a prolonged period of snogging, she finally released me. "I think that our audience will have enjoyed that," she smiled, "Now time for some props work."

Leaving the boa draped around my neck, she went back to the dressing area and returned with one of the two dining chairs, which she placed in the middle of the dance floor with the back to the mirror. She took my hand again and led me round behind it, then gently bent me over the back of the chair, so that my hands were on the seat – it was like I was a naughty schoolgirl about to be spanked by the headmistress! "I think that we'll have these off," said Anna, as she slid my panties down from behind, crouching to slip them off my ankles, and giving me a little

kiss on the butt as she did so.

"Now for some oil," she said, and I felt a drizzle of something warm and wet on my bum – she must have had a little bottle of it tucked away somewhere. "Very nice," she said, "Now rub it in for the audience." Keeping one hand on the seat of the chair to steady myself, I turned my upper body round slightly to allow me to reach behind me and start to stroke my butt with my other hand, feeling the warm sticky oil on my palm as I did so, and catching a glimpse of myself in the mirror over my shoulder, with Anna stood just to one side of me looking on appreciatively. I could see that the oil made my arse shine in the bright lights overhead, and there seemed to be tiny little bits of glitter in it that sparkled as I rubbed it over my butt.

"Do in-between your cheeks," she said. I let my hand slip between my butt cheeks and rub some of the oil in there. I heard Anna step forward, and then felt another long drizzle of warm oil spreading over my bum and my hand. "Now slip a finger in," Anna instructed. It was clear that she could only mean one thing – this girl was asking me to finger my own arse for her. I'm certainly not averse to doing that – my husband absolutely loves to watch me doing it, and I often finger my arse a bit when I masturbate, towards the end when I want to get myself off. But to do it now – bent over a chair, in front of a virtual

“So I snogged away at Anna’s pussy, and I soon started to taste her juices becoming thicker and more copious in my mouth”

stranger – felt a little funny. But also very horny, so I slowly curled my middle-finger round and using the oil as lubricant gently pushed it against my anal opening. With all the oil my finger slipped inside me with great ease. I felt the familiar sensation of slight stretch and fullness that comes with anal penetration, as I pushed my finger deeper inside, past the first knuckle.

“Good,” said Anna, rather breathlessly, “Now another.” I was enjoying myself, despite the strangeness of the situation, so I gladly bent my index-finger and, with a little wiggle, pushed it inside me alongside its neighbour. I felt the extra stretch of two fingers up my bum, but it wasn’t at all uncomfortable thanks to the oil, and I started to move my fingers around inside me. Then something a little weird happened. I am always very anally-sensitive, and often get off when I have a finger or plug or cock up my arse. But that is usually at the same time as something working on my clit, or at least after a bit of clit-play first. But even though I hadn’t been near my clit that evening, I started to feel the unmistakable fluttering in my tummy that told me that something was about to happen.

And before I could do anything to stop it, or even warn Anna, it hit me – a big orgasm emanating from my fingers in my anus, and spreading out like a wave across my body. I heard myself call out loudly, and felt a rush of warm wetness wash down my inner thighs. Like a lot of girls that I know, I’m not so much a ‘squirter’ when I come as a ‘gusher’, and I certainly gushed a good lot of wetness down my legs as I rode my powerful anal orgasm. When I have a clit-orgasm, my clit gets ultra-sensitive for a few seconds afterwards, and I can’t bear to have it touched. But arse-orgasms are different, and it actually feels nice to keep stimulating my arse after I’ve got off that way – it doesn’t exactly prolong the orgasm, but it does give pleasurable sensations. So I kept my two fingers deeply embedded up my anus for a few moments, then withdrew them ever so slowly, flexing them as I did to produce a little extra stretch on the way out.

“That looked good,” said Anna, as I stood myself up and turned to her. I think that she might have been ready to issue me with more instructions, but I’d had enough of being told

what to do. So instead I took her hand and led her back to the armchair. I turned her round and pushed her down into the chair. Kneeling in front of her, I took hold of the waistband of her panties, and pulled them down as Anna lifted her bum off the chair to help me. Then I carefully positioned each of her legs over the arms of the chair, so that she was wide open and fully exposed to me. Leaning back on my heels I took a moment to enjoy the view – stocking-clad legs spread wide and a sweet bare pussy in between flared open by the position that I had Anna in.

I leaned forward and without much ceremony began to snog her lips – not her mouth, I mean her pussy lips. This was a trick that a girlfriend had taught me several years ago – to go down on a girl just like you were trying to snog her face off. She did it to me,

and it made me cum like a steam-train. I’ve done it to a few girls since, and it’s almost foolproof – even shy girls trying out lesbian-loving for the first time can be got-off by this technique. So I snogged away at Anna’s pussy, and indeed I soon started to taste her juices becoming thicker and more copious in my mouth, and little moans and gasps of pleasure come from her.

Keeping my lips locked against hers, I raised my eyes, to see that she had flicked her pasties off and was now vigorously caressing her boobs and nipples. I reached up and took one of her hands in mine, pulling it down to between her legs, where she immediately fastened on to her clit and started to rub at it. Removing my lips from hers, I pushed at the backs of her thighs gently but firmly to tilt her back on the chair,

and reveal that little button of an arsehole that I'd admired earlier. Dipping my head forwards once more, I started to run the tip of my tongue around its rim, knowing that the combined sensation of anal and clitoral stimulation nearly always gets any girl off. Anna was no exception, and I felt her whole body judder as she cried out, grabbing the

back of my head and pulling it hard against her crotch so that my mouth was pushed inside her pussy and my chin was pressed against her pulsing anus. She held me firmly there for a few moments then slowly released me, her hand flopping down beside her in exhaustion. I gave her pussy a quick snog,

just to get the flavour of it on my lips, then raised myself up to kiss her on the mouth and let her taste for herself, cupping my hands over her boobs as I did so. "What's in the next lesson?" I asked, but she didn't even have the strength left to answer me...

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Singer, model, Hollywood actress, Justin Timberlake's wife: Jessica Biel isn't someone who has to flash the flesh in a film to get known. She's minted. She's even in the rubbish new *Total Recall* remake. But she's also high up on the 'dead fit' scale, and doesn't mind letting us see the goods. So many Hollywood films about strippers actually avoid any real stripping, but *Powder Blue* (2009) sees Biel working that pole and taking the role seriously. In other words: skin. And when she keeps something on, it's usually not much, as her film-stealing scenes in 2007's *I Now Pronounce You Chuck and Larry* attest. You can keep Pete, Ian and Lou – Jessica is our favourite Biel. ♣

VICKI ♣

Hose her down...

An intimate session with *Club* favourite Vicki wearing some suspenders started off in fairly staid fashion, mostly because we'd forgotten how wild this babe gets once her clothes are off. True to form, once naked, her fingers disappeared inside herself and we could barely take a legal photo. Obviously we still shot about 200 photos for, erm, archive use. Eventually Vicki calmed down enough to finish the shoot, and then got horny all over again. If there's a more perfect woman alive, please introduce us. ♣

LENA ♣

Sink or quim...

Lena Nicole is 25, has been a glamour model for 3 years, and yet this is her first appearance in *Club*. What gives? "I thought you guys didn't like me," she pouts.

Whaaaaaa? We've never even been sent a photo of you before. We're sacking all our talent scouts and fanny spotters with immediate effect. They're not fit for purpose.

"Well, I'm glad we got there in the end. I love *Club* and its girls, and not having it on my CV was something I couldn't bear.

You and us both, Lena... ♣
